

AUGUST NEWSLETTER

Next Meeting: MONDAY, 5 OCTOBER 2015, 5.30 PM AT CLUBHOUSE

FIRST AND FOREMOST: To all those hard working members during our Jumpers & Jazz celebrations, our Club appreciates your hours contributed during this very busy activity. Money raised is needed to maintain the Club House for members to utilize. To the soup contributors, "thank you". All varieties scored a 10. Without you and your crock pots, the soup night could not be the success that it was. Positive remarks were received from all who supported us during all the Jumpers and Jazz activities.
