FROM RAYE:

Please members, when available support your club. Help is always needed during this busy schedule. Blackboard in club regarding jobs for Jumpers & Jazz. (Soup is needed.)

Gallery is looking bright and cheery. Members displaying exhibition pieces, please give your lists to me by Wednesday, 15th July. Pieces must be last year's work, bisque or glazed; no acrylics. Could the Gallery be cleared of all pieces now not in the exhibition? This yearly event requires a lot of organizing. Remember this is our opportunity to "Show Case" what our Club means to us all. Do not forget your clay Jumpers & Jazz tree – 30 cms high, decorated with whatever. This will be a great talking point!! Good Luck!
