AUGUST 2017 NEWSLETTER

FIRST AND FOREMOST: Thank you! To all our hard working members during the Jumpers & Jazz celebrations. Our Club appreciates the hours you contributed during this very busy and rewarding festival. Money raised helps to maintain and improve the Club House for all members and community workshops to utilize. The Jumpers and Jazz soup night, pop up stall (in conjunction with the art group) and the markets continue to include the community and promote the Potters' artistic skills to the wider public. Special mention to some fantastic members: Sue Creed for her extraordinary work as our market coordinator, Sue Keong for her invaluable assistance in supporting Sue Creed and to Raye Batham for her amazing effort as our soup night coordinator.

Lastly, a huge thank you to the Jamie and the Tafe students on soup night and the Southern Downs Council for their assistance during the market.
