## DECEMBER NEWSLETTER 2020

"THE POTTER'S PLACE"

Next Meeting AGM Monday 1st February 2021 - 5.15 p.m.

Highlights from the December Meeting:

### Christmas Party

Thank you to those that attended the Christmas Party. I would like to thank all members for their support for the past year and wish them well with their pottery in 2021.

### Funding

During the later part of 2020 we have applied for various funding but have mostly been unsuccessful. Some applications closed within an hour of opening. We still have one outstanding with the Gambling Community Benefit Fund for the repairs to the verandah, steps and railings and books for the library.

BUT Southern Downs Regional Council came through with - wait for it - not one, but two successful applications.

The first one of \$654.00 covers the cost of clear panels for protection against the elements in the region of the toilets and in front of the kitchen door.

The second one covers the costs of two computers - one for the secretary and the other for the market coordinator PLUS a two day workshop with Janna Pameijer. WOW!

We can't go shopping until 1st January and must have it spent by 31st March, easy done.

### Potters/Merry Muster Christmas Markets

A very successful market from having spoken to all stall holders. Most stalls recorded it as being one of their largest for takings. The weather was in our favor, the entertainment non stop and we would have had more locals than what the buses brought in. We were lucky to be able to use the old Bunnings building site for the buses (thanks to Colliers) and Council (Councillor Shery Windle) with introductory bags to our out of town visitors, making them welcome and have given them every reason to return to Warwick.

The two charities - Community Van Warwick and Drought Water Relief Stanthorpe benefited to the tune of \$3,100 each. They were really appreciative of the support from the city. The people from the city brought with them food and other donations to the Warwick area. It was a win win for Warwick and Stanthorpe.
