P.O. Box 343, Warwick. 4370

## NOVEMBER NEWSLETTER 2020

"THE POTTER'S PLACE"

Last Meeting for 2020 Monday 7th December 5.15 p.m.

Highlights from the November Meeting:

### **New Members.**

Welcome to Gina Hing and her daughter, Rebecca. They came on a visit during the CCART weekend and stayed.

### **CCART Weekend.**

Firstly, thanks to those that attend the working bees on Sunday and Monday. A big thank you to Arlene and Pat who helped unscrew the plastic blinds off the veranda. It has made the place look cleaner. The walls and veranda outside were washed with the gallery and work areas cleaned and floor mopped. On both the Saturday and Sunday we found we needed to wipe the wooden floor over a second time in the gallery after walking from the gallery to the work areas then back again.

Thanks to those that demonstrated, meet and greeted on arrival and checked to make sure all COVID-19 regulations were met.

The Saturday night, while advertised in the official broucher was not well attend by the public but restrictions still put a damper on social activities.

### **Rodeo Market that Wasn't.**

Marked the park out Friday morning and welcomed Noelene to join the forces and learn the ropes. Anxious night Friday night with storms and rain predicted but nothing until 2.30 a.m. Saturday morning when the markets were cancelled.

Sue K and Penny still came down to assist but had emailed or phoned all stall holders of the decision and caught all but probably 10 stall holders from making the trip.

First time the markets have been cancelled (and lets hope the last time). Site maps had been sent out with receipts. Now the tidy up with refunding half their site fees has begun.

For accounting purposes the club will tidy the books from the Rodeo Market and all stall holders will be refunded their site fees, no carry over until the next market at Easter.

### **Christmas Party**

Several venues were suggested with a late edition of Granary Shed at the Weeping Mulberry. It has come highly recommended at \$25.00 head for cold meats, salads, dessert, tea and coffee. Cold drinks available for purchase.

It has been decided the club will go with the Granary Shed on Saturday, 21st November for 6 p.m. The Club will need to know numbers by Friday, 13th November. Please leave name and numbers on black board at clubhouse or email [info@potters.org.au](mailto:info@potters.org.au)

### **Potters/Merry Muster Christmas Markets**

Saturday, 5th December, Leslie Park set up by 8 a.m. all vehicles out of the park by then. Ready for buses by 8.30 a.m. till 1.30 p.m. The Potters will have a couple of tents in the park for members to share and on the black board at the club house you can add your name to a tent. It is up to the individual potters to organise themselves.

### **Twilight Activity**

It has been suggested and greatly appreciated that a couple of members wish to make use of the facilities of the Potters' Place on dusk with a Twilight activity. Continuing the market was a thought but with such short notice to stall holders would be impracticable, but another suggestion that was met with enthusiasm was just having the gallery open for a twilight viewing.

It was decided that the Club will hold a Christmas Twilight evening on Saturday the 12th December from 5 p.m. Also open Sunday 10 a.m. to 4p.m. All pottery members and local crafters welcome. For more information phone Noelene on 0408 772 087 or Raye on 0402 307 637.

**YOURS IN POTTERY**

**SUE CREED  
PRESIDENT**
