Community Engagement the Potters Club was represented at two community events since the last newsletter. Under 8's Day at Warwick East State School – over 100 kids participated and made tiles with Sue Creed. Lots of fun was had by all. The second event was the Churches of Christ Seniors Expo, where Sue Creed manned an information booth, and engaging with the visitors to the expo and showcasing the club and its facilities. Thank you, Sue, for being a club advocate.
