

JULY 2023 NEWSLETTER

WARWICK POTTERS ASSOCIATION

PO Box 343 Warwick Qld 4730

WELCOME

We are fortunate to welcome five new members into the amazing Warwick Potters Group. Please welcome – Lisa McGahan, Clare-Maree O'Brien, Sude Freebody, Meagan Benson and Amanda Andersen.

GALLERY CO-ORDINATOR

Pauline Gardner has taken on the new role of Gallery Coordinator. Hence should you need information or assistance, please contact Pauline.

GALLERY

The Gallery will be open on Thursday night [27th July], then again on the Friday and Saturday from 10am until 4pm during Jumpers and Jazz Festival. If anyone can assist with manning the Gallery please let Leah Kelly [president@potters.org.au] or jot it down on the blackboard.

SOUP NIGHT IS THURSDAY 27TH JULY

Ahhhhhh, winter is upon us which means that Soup Night is fast approaching. Could members please indicate where they would like to assist the group on the blackboard within the Potter's house. There you will find a list of tasks to be undertaken. If you would be willing to make soup [any amount that you could make with the recipes provided in last months newsletter]. Should you feel that the ingredients are too expensive, you can seek reimbursement. Help is also needed to set up on the day and assistance required on the night with the distribution of soup bowls and soup. Looking forward to many names placed on the blackboard.

WARWICK POTTERS' JUMPERS AND JAZZ PICNIC IN THE PARK

CRAFT MARKET – SUNDAY 30TH JULY

The Warwick Potters will have their usual marquee at Leslie Park on 30th July. Any member who wishes to sell their pottery will also be required to assist with manning of the marquee. Members are responsible for their own pots/craft to be taken to the park and when the day is done, take their pottery back with them. Help will be required to take the marquee, tables and other items to the park then return same to the Club House.

HOUSEKEEPING

Just a friendly reminder to all members to please clean up their space at the Club House to allow for extra room for the newer members to have an area where they can dry their pieces. Members are reminded that clay and glazing materials are to be taken home and not left at the Club House.

A heads up that once your pots are fired, could you please finish the process of glazing to free up space in the kiln shed. Please make sure that your pots, after glazing, are cleaned before firing. Unnamed pieces will not be fired.

Yours assistance with the many projects we have and your kindness, would be so appreciated to move the Warwick Potters Association forward into the future.

JUST ASKING!!

Would anyone like to send me articles/pictures [in jpeg format] of their work/pieces to include in forthcoming newsletters ? Any ideas, tips, tricks or general knowledge I am sure would be appreciated by everyone, especially new members, like me, who are eager to “get going”. My email is – send.2.sandy@hotmail.com

TRIVIA

What word has three consecutive double letters ???? [find out in the next newsletter]. Hippopotomonstrosesquiped-allophobia is the fear of long words.

Any queries please contact Leah Kelly [president@potters.org.au] or Sue Creed [secretary@potters.org.au].

NEXT MEETING IS 3RD JULY at 5.15PM - see you there !!
