

**NEWSLETTER SEPTEMBER 2023**

## **WARWICK POTTERS ASSOCIATION**

PO Box 343 Warwick Qld 4730

---

### **WELCOME**

We are delighted that Michelle Cochrane has joined the Warwick Potters group. We extend a very warm welcome. Just over the past few months we have had nine new members and we trust that they are enjoying their time at the wheel or hand building.

### **GALLERY**

Our new Gallery Co-ordinator, Pauline, has given the Gallery a refreshing face and it looks amazing, as do the pieces displayed.

## SOUP NIGHT - Jumpers and Jazz Festival

The Soup Night was an astounding success, and this could not have been achieved were it not for our volunteers. Our President Leah would like to say THANK YOU immensely for your assistance before the event and during the event and after the event. So well done to all.

## JUMPERS AND JAZZ PICNIC IN THE PARK CRAFT

The Warwick Potters' Jumpers and Jazz Picnic in the Park was again a huge success and brilliantly finalised the 10 days of Jumpers and Jazz activities. I think it was said that about 290 stall holders were set up and enjoying the day. Again thank you to all volunteers.

## FUTURE MARKETS

Sue Creed will be stepping down from Event Management for the Potters Group. Sue brings her expertise to the table for organisation of all markets. Of course, we will have huge shoes to fill to reach Sue's dizzy heights at what she does so well.

Sue advises that the Rodeo Markets will be her final market.

## SPECIAL MEETING

A special meeting will be held before the Rodeo Markets in relationship to where the Club will move forward with future event management. Can we ask members to put their thinking caps on to bring to the meeting ideas of how/when/where that future events can be organised/held. Do we need to do all markets!! For example, would we have an Event Management Sub-Committee broken down into manageable units for us to bring together an event. We would like all members to have an input into the direction that they see the Potters Group heading. Any and all input is most welcome as this is where ideas and of course that bit of genius, is born.

## WORKSHOPS

To all members and those who are new members that have not attended workshops what are your current ideas/thoughts for future workshops. Could your preferences be written on the blackboard at the Potters House.

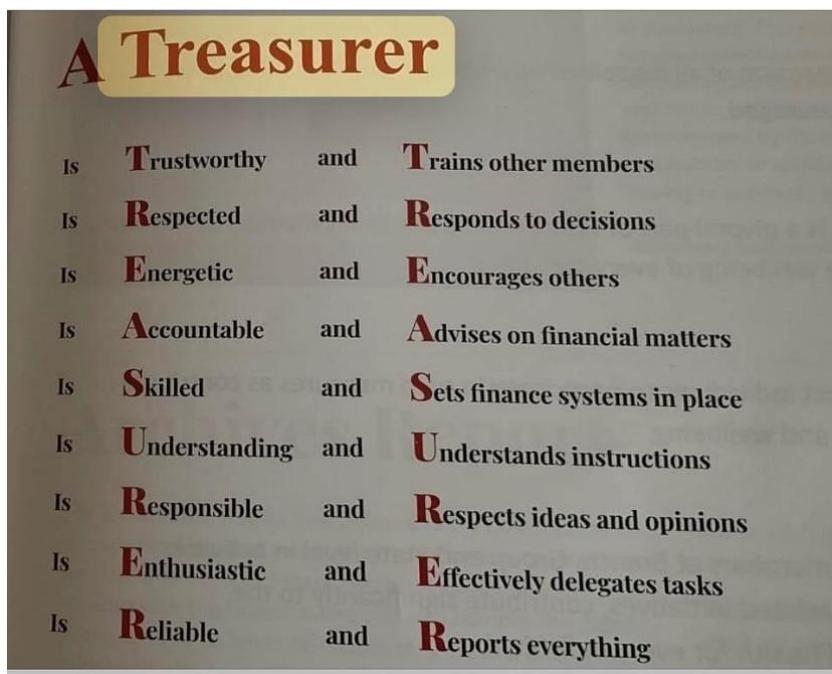

## SPECIAL THANK YOU NOTE

Sending out a huge thank you vibe to the SES volunteers and to Rotary Sunrise for always being there to assist us. You are truly appreciated for all you do.

## TREASURER

For our very hardworking Treasurer – priceless!!

## INPUT

If any members would like to have input into the newsletter, please forward to Sandy at [send.2.sandy@hotmail.com](mailto:send.2.sandy@hotmail.com)

## TRIVIA

It is physically impossible for a pig to look straight up at the sky.

The first newspaper was printed on silk.

The only part of your body you can tickle yourself is the roof of your mouth. [did you try it] haha.

Any queries please contact Leah Kelly [ [president@potters.org.au](mailto:president@potters.org.au) ] or Sue Creed [ [secretary@potters.org.au](mailto:secretary@potters.org.au) ].

**NEXT MEETING IS 4<sup>th</sup> SEPTEMBER at 5.15PM** - see you there !!
