### WELCOME

### KILLARNEY STATE SCHOOL

Killarney State School attended our premises for a very productive Wednesday play date on the wheel and hand building.

A very special Certificate of thanks was received.

## HOME SCHOOLING

Home Schooling will re-commence under the new leadership of Roslyn Lang and Jenny Lang. For the month of September those home-schooling dates will be the second and third Friday of the month and then back to the first and second Friday of the month forthwith.

## SENDING A SPEEDY RECOVERY

Warwick Potters Club would like to wish Sue Whitton a full and quick recovery from her recent ill health. Take care Sue.

## WORKSHOPS

To all members and new members that have not attended workshops, what are your current ideas/thoughts for future workshops? Could your preferences be written on the blackboard at the Potters House.

If you are unable to utilize the blackboard, please advise our Management Committee as the club cannot move forward until it knows what members would like.

## NOT HAPPY JAN!!!

It is with frustration that we remind members that if you use a piece of equipment at the Potters House to **CLEAN IT**. Towels and red canvas cloths have been put back on the shelf in a dirty state.

## THANK YOU

To those members who were at the Potters House on Tuesday 29<sup>th</sup> August, Committee would like to thank you, as the premise was Spotless. Well done!!

## FIRING COSTS

Some firing costs will be re-calculated due to the length of time that the firing may take. Our Angel of Fire [Ros] who is our kiln magician can help you with this aspect.
