

**NEWSLETTER NOVEMBER 2023**

## **WARWICK POTTERS ASSOCIATION**

PO Box 343 Warwick Qld 4730

---

So much to share with you -

### **WELCOME**

We would like to welcome Andrew Freebody to our potters group. Andrew's wife Sue is already a member.

### **INVITATION EVENT – Place in your calendar now !!**

Warwick Potters will be holding a **MEET** and **GREET** for ALL members [new and old] on **SATURDAY 11<sup>TH</sup> NOVEMBER from 3.30PM.** This is a wonderful chance for all new members to meet other members who have been with the group for some time. Members will have a chance to be shown, in more depth, what the club has to offer and answer any questions arising from their time with the group.

### **CHRISTMAS SHOP**

Our **Christmas Shop** will be on **Saturday 9<sup>th</sup>. December from 1pm until 8.30pm.** We will go live with Rose City FM who will broadcast directly from our space. We have also approached a food and coffee vendor to be in attendance.

Can we please ask all members to fill the gallery with your pottery creations.

### **A FEW HOUSEKEEPING ITEMS TO NOTE**

Could we ask all members to please remove your fired pieces from the kiln shed as soon as it is fired. This will alleviate the space required for placement of precious crafts. With so many new members space in the kiln shed is at a premium.

All members please take note that if the bottom of your pots/creations are not cleaned, they will not be fired.

## CLUB HOUSE

To keep our potters house in fabulous condition we would like to ask all members to please clean and contain their area so more members may make use of the wonderful facilities that we have on offer.

A few photos to show off our stunning work areas and your beautiful showcase gallery.

## SOCIAL MEDIA AND MARKETING

Jenny Lang has kindly taken our groups Facebook pages under her wing. You may have noticed in the last week or so that we have been posting more frequently on our Facebook page. We are also in the process of getting an Instagram account up and running and will be looking at increasing the content that is available on our website – [potters.org.au](http://potters.org.au)

Could we ask all members who are on Facebook to check that you are following the Warwick Potters Association Inc. page, and also join the associated private group “Potters”.

If you have any issues joining or trying to find the group, feel free to add me on Facebook – Jenny Lang, or email me – [alderberan007@gmail.com](mailto:alderberan007@gmail.com) and I will be happy to assist.

Members please note that going forward, we will be regularly posting photos and videos etc on the pages mentioned above, that may include members work. If you specifically do not want your work published online please advise either myself or the club executives of this as soon as possible. We will not post any original photos or video footage without permission. We may however share photos that are already published online.

If at any point you have concerns about content posted, please contact myself or the club executives to discuss those concerns.
