EARTH IN MOTION EXHIBITION

Congratulations to everyone for the absolutely fabulous exhibition of Earth In Motion at the Grove Gallery within the Warwick Art Gallery. A must see.

WORKING BEE

My sincere apologies to everyone as I forgot to mention the incredible work our members accomplished at the recent working bee. Well done!! The Club area looks amazing.

INSPIRATIONAL IDEAS

Some quirky and artistic ideas to ponder, muse over!!

HOUSEKEEPING

Just a friendly reminder that it is essential to lock the outside gate so that any mischief cannot be had within our wonderful Clubhouse or sheds.

浮世
ukiyo

[u-key-yo] *Japanese*

“The floating world.”

Living in the moment, detached from
the troubles of life.

SOUP NIGHT

If you missed the emails being sent out regarding Soup Night, I will highlight the main points.

Carey Butchers are unable to store our soups prior to soup night. Hence soups can only be delivered to the Club House from 21 July and onwards. We have a refrigerator plus one has been kindly donated to the kitchen.

There are three soup recipes available and each one is required to provide 32.5 litres. So the more we have donating their time and ingredients [if you feel the cost is blowing out the club can assist with produce purchases] the more we can reach this target.

The Tuesday group is busy working on a job list and they will provide details at a later date. If anyone would like to volunteer, please let them know.

NEXT MEETING

The Next General Meeting will be 6th June, 2026 at 5.30pm at the Warwick Potters Club House. Hoping to see you there.
